

Datasheet

RS Pro 320g Round Polyethylene Mallet

RS Stock No: **539-110**

Product Details

RS Pro mallet with round head is made of PE and it weighs about 320 g. This mallet with 50 mm head diameter, comes with ash wood handle. The head will not fracture or delaminate and is safely held by both wooden and brass spark resistant wedge. It has very high impact strength combined with durability and high abrasive resistance. It is perfect for the manufacturing, service and assembly industries.
