Datasheet

PVC 15m Long transparent Flexible Tube Reinforced, 420mm Bend Radius, Applications Various

RS Stock number 2430188

Features

Conforms to product standards: ISO5774 (BS6066: 1981), BS EN ISO 6224: 1997. FDA and BGA compliant

Manufactured to comply with BS6066 and ISO 5774

Polyester fibre reinforced

Excellent abrasion resistance and transparency with good flexibility

Made from cadmium free materials and silicone free

Toxicity - low and suitable for food use and industrial applications

High resistance to acids/alkalis
