

Assembly Instructions

Malaren Dining Set Grey

Keep these instructions for future reference

Assemble the furniture on a soft level surface to avoid damaging the furniture or your floor.

We recommend furniture be assembled near where they will be placed, to avoid moving the product unnecessarily once assembled.

If there is a need to move the furniture, please remove all loose items and have extra hands to help lift the furniture to the desired location. Dragging the furniture will damage both the furniture and the floor.

Regularly check and re-tighten (if necessary) all bolts on furniture that you have assembled yourself.

Tools Required

General Care for Longer Lasting Furniture

Always use coasters/placements underneath hot objects, such as pans, plates or glassware to protect the surface of the furniture.

If any liquid is spilled on the wood surface, wipe immediately but gently, using a clean, firmly wrung damp cloth. Dry afterwards using another clean, dry cloth.

For regular cleaning, use a damp cloth or sponge with clean water. Wipe across the whole surface as one.

Do not use spirits, bleaches or any other chemical cleaners to clean furniture.
