# DRILL/SCREWDRIVER 20V LI-ION

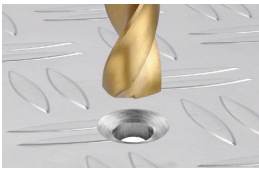

This cordless 20V drill/screwdriver from Powerplus helps you finally finish all drilling and screwing tasks at home. It drills and screws in wood (Ø 25mm), steel (Ø 10mm), plastics and masonry. With 3 powerful 20V batteries, a charger, 12 bits as well as a magnetic bit holder you have everything you need right at your disposal. Finished working? You can store all components in the BMC and leave your workplace clean and tidy in the blink of an eye.

With this Powerplus drill/screwdriver you enjoy total freedom of movement while drilling. Additionally, you have a choice between two different speeds and 19 torque settings, allowing you to select the optimal speed for your job. The auto locking chuck (Ø 10mm) lets you change bits or drills quickly and easily. Finally, the quick stop provides the necessary safety and comfort, as it immediately stops the chuck from turning when you finish drilling.

TECHNICAL SPECIFICATIONS POWX00500		Features	Box content	Symbols
Rated voltage	20V $\equiv$	<ul style="list-style-type: none"> <li>• LED worklight</li> <li>• keyless chuck + lock</li> <li>• left/right switch</li> <li>• soft grip</li> <li>• 2 functions: screwing/drilling</li> </ul>	1x drill/screwdriver
