ANNKE 8CH 1080P PoE Network Video Security System

This new generation Home POE products blend a various number of cutting-edge technologies, including H.264 video compression, 6MP resolution, intelligent storage technology, network and intelligent technology, and at this basis it is powerful surveillance system which can be widely used in those scenes: home, security, transportation security etc.

- H.264 Video Compression
- 6MP HDR Resolution at 30 fps
- 1080P HD Output (VGA and HDMI)
- PoE Plug-and-play and with power
- Easy Install Easy installation and configuration
- Remote Access Via smartphone, tablet and PC
- Motion Detected Motion detection alarm
- Email Alert Motion detected notification

Excellent H.264 Video Compression

Come with advanced H.264 compression technology, it can not only dramatically save your hard-drive storage space but also produce unparalleled recording image. In a word, the H.264 video compression technology is proven to be a very wonderful function for your monitoring need.

Support up to 6MP Incredible Video Recording

These 4K/6Mp are capable of bringing the definition of surveillance video to a brand new stage by supporting up to 6 megapixels resolution video recording, preview and playback.

2 MP HD Cameras for Crystal Clear Images

These HD PoE security cameras present 2MP image on a CCTV system resulted by the lenses bring everything back to life with cutting-edge technology and top-of-the-line megapixel quality.

Network Cable Transmission Remote Control

Super convenient eye & plug network surveillance systems support 8 IPC connection. Free you from confusing setups and configurations and be greatly reduced cost with Power over Ethernet technology.

Be There Like You Never Left

The advanced P2P technology paves the way for remote access on smartphone, tablet and web. Just install the free App and get the panoramic view of your home from anywhere.

Intelligent Motion Detection and Email Alert

We introduce intelligent motion detection technology to build the most solid security system for your home & business and get you informed with email once emergency happens.

1080P HD Video Output

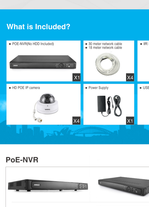
We provide HDMI and VGA for video outputs display. Either way, you'll get the very clear 1080P video playback function.

Incredible Night Vision

Each bullet camera contains 36 IR LEDs which are automatically activated when the light illumination is low, like at night or in dark rooms, always providing crystal clear 100ft night vision.

Powerful Playback Mode

Freely playback to any specific channel or preview mode without interfering other channels. This powerful playback function can definitely help you get back to any scene you have missed.



Convex IP66 Weather Proofing and Shockproof

Designed with graceful shape and exquisite line, the cameras will definitely make you fall in love at first sight. Meanwhile, the IP66 metal housing and bracket make them suitable for outdoor use.

Multiple applications in home&business security

Home, office, schools, shopping malls, or apartments, this system perform noticeably well in all these places by presenting you the most reliable and remarkable monitoring views.

Buy With Confidence

We promise you 3 year free-warranty and 30 days exchange & refund of this product from the day of your purchase, only to provide you the most reliable security system.

3-Year Free Warranty

30-Day Return

What is Included?

PoE-NVR

Video compression	H.264
Recording Resolution	2 MP/1 MP/1 MP/960 p/D1/CIF/QVGA
Effective pixels	2 Mega pixels
Signal system	PAL/NTSC
Video compression	H.264/MJPEG
Frame rate	720P: 25fps/1920 × 1080i, 25fps/1280 × 960, 25fps/1280 × 720, 25fps/960 × 576, 25fps/960 × 480, 25fps/640 × 480
Video on site	8/16/32 IP Cams, support dual-stream
LAN	8/16/32
Number of Hard Disk, Gb	1 SATA, up to 6 TB
Bandwidth Illumination	0.005Lux at F1.5, 1/3 sec with IR
Min. Scene Illumination	0 Lux with IR
Shutter	1/3s~1/100,000
Night Vision Distance	Up to 100ft/30m
DNL	1.0dB
Audio out	1 RJ45 10M/100M Ethernet interface

Network bandwidth	Up to 80Mbps fixed, 60Mbps mutual, up to 128 mutual network for remote connection
USB	2 USB interfaces for mouse
HDD	1 SATA hard drive (1TB)
Network service	Support DHCP/PPPoE/FTP/UPnP/DDNS/NTP/UPNP/ONVIF/RTSP etc.
Mobile	iPhone, Android etc.
Browser	Support multiple network browser
Power supply	DC-48V/1.4A
Working Temperature	-10 °C to +55° C (14 °F to +131 °F)
Working Humidity	10% - 90%
Dimensions	360 * 290 * 45 mm (14.2 x 11.4 x 1.8")
weight	4.1 kg (2.8 lb) without hard disk

Camera

Image sensor	1/2.7"Progressive Scan CMOS
Resolution	2 Megapixel
Effective pixels	2 Mega pixels
Signal system	PAL/NTSC
Video compression	H.264/MJPEG
Frame rate	720P: 25fps/1920 × 1080i, 25fps/1280 × 960, 25fps/1280 × 720, 25fps/960 × 576, 25fps/960 × 480, 25fps/640 × 480
Video on site	8/16/32 IP Cams, support dual-stream
LAN	8/16/32
Number of Hard Disk, Gb	1 SATA, up to 6 TB
Bandwidth Illumination	0.005Lux at F1.5, 1/3 sec with IR
Min. Scene Illumination	0 Lux with IR
Shutter	1/3s~1/100,000
Night Vision Distance	Up to 100ft/30m
DNL	1.0dB
Audio out	1 RJ45 10M/100M Ethernet interface

Protocol	TCP/IP,UDP,IP,HTTP,HTTPS,DHCP,DNS,DDNS,RTP,RTSP,RTCP, NTP,SMTP,SNMP,IGMP,ICMP,ARP,FTP,PPPoE
Video Adjustments	Contrast, Brightness, Saturation, Acutance
Alarm Trigger	Motion detection, Tampering alarm, Network disconnect, IP address conflict, Illegal login
White Balance	Automatic
Backlight Compensation	Adjustable
Wide Dynamic Range	Digital WDR
Gain control	Automatic
Operating Power	12 V DC ± 10%, PoE (802.3af)
Working Temperature	-10 °C - 55 °C (14 °F - 140 °F)
Working Humidity	10% - 90% RH or less (non-condensing)
Indoor / Outdoor	YES
Protection range	IP66
Size and weight	177*177*82mm(mm), 920g
