

FIORE

FIORE SOSPESA

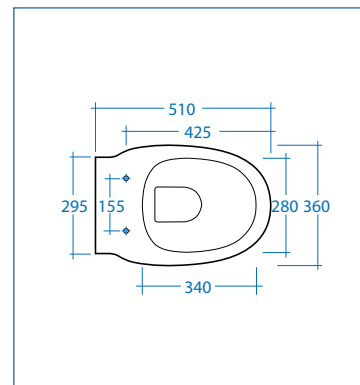

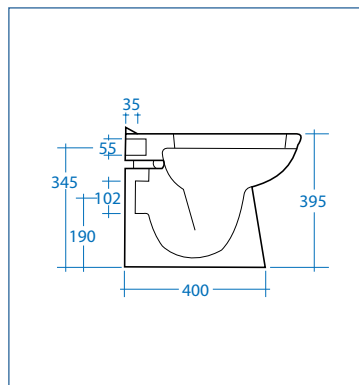

Fiore, collezione senza eccessi, dalle forme semplici e discrete che valorizzano gli angoli più intimi della casa. Una gamma vasta e completa di elementi e soluzioni che arredano armonicamente gli spazi: lavabi abbinabili a colonna e semicolonna; sanitari disponibili nella versione a terra e sospesa. Massima cura per i dettagli, per rispondere perfettamente ad ogni esigenza. Le forme morbide e rassicuranti recuperano una classicità in sintonia con il presente per adattarsi perfettamente ad ogni stile ed ambiente. La bellezza estetica incontra tutta la solidità dei materiali destinati a durare in eterno. Tre parole che esprimono la natura di Fiore: semplice, universale e intramontabile.

Fiore, a collection without extremes, its simple and discrete forms valorise the most intimate corners of the house. A vast and complete range of elements and solutions that harmonically decorate spaces: washbasins which can be coupled with column and semi-column bases; bathroom fixtures available in the floor-mounted and suspended versions. Maximum attention is given to details, to perfectly satisfy every need. The fluid and reassuring forms recover a classic feel, tuned-in with the present to adapt itself perfectly to every style and environment. Aesthetic beauty meets full on with the solidity of the materials destined to last eternally. Three words that express the nature of Karla: simple, universal and timeless.
