

# SIERRE

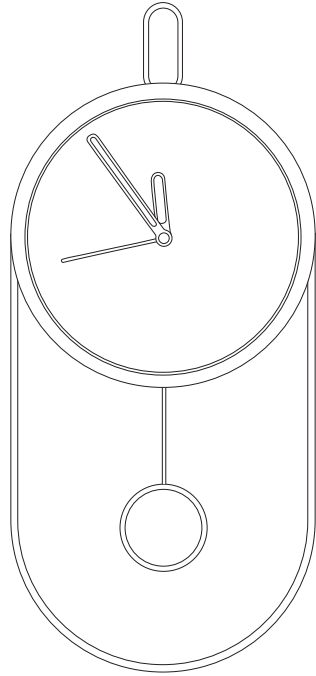

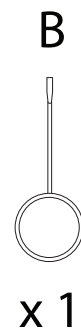

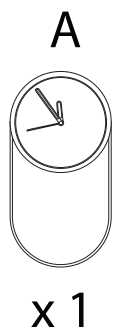

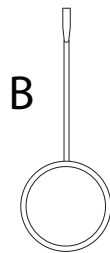

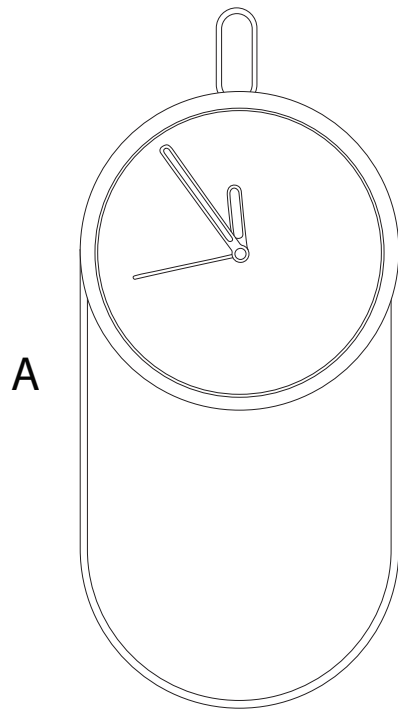

Diagram illustrating safety instructions for the clock assembly:

- Top Box:** Shows a power drill with a diagonal line through it, indicating that power tools should not be used. To the right is a warning triangle with an exclamation mark.
- Bottom Box:** Shows a rectangular block being placed on a surface with a diagonal line through it, indicating that the clock should not be placed on a soft or uneven surface. To the right is another warning triangle with an exclamation mark.

Additional icons and text:

- A circular icon with a clock face and a curved arrow, indicating a 5-minute duration.
- The text "5'" below the circular icon.
- An icon of a person, indicating that one person is required for assembly.
- The text "1" below the person icon.
