

1. Shut off power before installation.
2. Fix the mounting strap to ceiling.
3. Unscrew the ball finial and put the cover onto the ball. Then, secure with ball finial and small pulleys.
4. Insert large pulleys into the canopy and fix with washers and nuts.
5. Feed cords through the canopy and fix with washers and nuts.
6. Connect the wires with wire connectors to the corresponding wires in ceiling.
7. Attach the canopy to the mounting strap and fix with the cap nuts.
8. Install the light shades and fix with metal washers and socket rings.
9. Screw in light bulbs (not included with the light fixture) and turn on the power.
